The Weekly Bulletin of Cox Boulevard Church of Christ – A Place To Call Home

I want to share with you an article I read from the great evangelist Marshall Keeble. Bro. Keeble had an unique way of sharing the gospel message with people. His sermon was entitled, **THERE'S WATER IN THE PLAN.**

Water is important in a man's life. God created water first, then He created man out of dust. Without water, dust wouldn't stick. There is power in the water.

There's water in a car. There's power in that water. If you don't believe it, try going home without it in the radiator and you've got a burnt up car. Now, try to get a man to heaven without water and you've got a burnt up man. Try going to Heaven without water, and you've got a burnt up church.

Some say you're saved before baptism. Christ said, **"He that believes and is baptized shall be saved."** Now, you can't say you're saved before baptism, if so, you're calling God a liar. You can't go to Heaven calling God a liar. You can call me a liar, but not Him.

Some say, "A man is saved and then baptized." A woman doesn't wash clothes because they are already clean. I've seen a lot of smart women, but not that smart. She washes clothes because they are dirty. Man is baptized because he's dirty and needs to be cleansed.

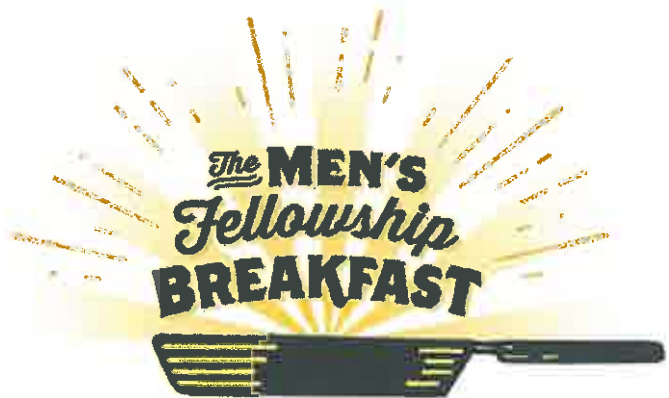

The gospel is make up of five "pills" that will cure anything. First pill, **hear**. Second pill, **believe**. Third pill, **repent**. Fourth pill, **confess**. Fifth pill, **baptism**. Take'em with water, and they'll cure sin. **HE THAT BELIEVES AND IS BAPTIZED SHALL BE SAVED. HE THAT BELIEVES NOT SHALL BE DAMNED.** Mark 16:16.

I'm looking forward to seeing each of our Cox Blvd. family this coming Sunday!! Start your Sunday off

by being with us in Bible Class.

Your life will be blessed.

The Key to Success

In successfully leading the Israelites into the Promised Land, Joshua had to obey God's simple instructions. The first step being to "be strong and of good courage" (Joshua 1:6); the second step included continually meditating on the Book of the Law; and finally, he was to do everything it said (Joshua 1:8). As long as Joshua followed these three steps, God promised him "good success." Notice that God's idea of success is very different than most Americans idea. It has little to do with fame, fortune, or knowing the right people. In the original Hebrew, the phrase, "then you will have good success" means "then you will act wisely." Just as God called Joshua to walk in wisdom, He wants us to "walk circumspectly, not as fools but as wise". As we take courage in the Lord, feast on His Word, and obey Him, we have a recipe for Godly success that's better than anything we could possibly think up on our own.
