- Has 48 years of proven methods with three generations now trained to be servants in the church.
- Teaches God's Word with no agenda—and stays out of the ditches, left and right (2 Chronicles 34:2).
- Offers a wide range of books, materials and curriculum for year-round use.
- Produces great materials by sound, respected authors that teach biblical concepts on timely subjects.
- Brings the whole congregation together. Adults and senior citizens participate with children in completing events and activities (Titus 2:2-4).
- Offers competitive and non-competitive events. (26 events are completely non-competitive.)
- Offers Bartimaeus events for special needs participants of all ages.
- Has events available for everyone ages 3-103.

## Spiritual Tunnel Vision

Tunnel vision is when you are so focused on something that you can't see what is happening around you. It happens all the time and nobody is immune. We become so fixated on an object ourselves or an ideology that we don't see what is really happening around us. This is a dangerous state as it may cause us to miss out on so many things but most importantly, a relationship with God. The Pharisees, Sadducees, Lawyers and Scribes were groups that were stuck in tunnel vision. They had this law thing figured out. They knew exactly what the Messiah was supposed to do and how He was supposed to act. Anything that was different to their tunnel vision of God's plan was not acceptable. Jesus called them out on it. "Do you know how to discern the appearance of the sky, but cannot discern the signs of the times?" (Matt. 16:30). It still happens today. There are those who plainly see what is happening and are obedient to the Lord and His Father. They are blessed and accept God's justice. There are those who reject God's will or purpose for their lives and will not receive the justice they seek. The warning to us all is that we do not become so narrow minded that we don't see the truth before us. We must not get so focused on what we think the plan is that we neglect to ask God what He wants. Don't miss out on what God has planned for you because of spiritual tunnel vision.
