

The Family Tree

The Weekly Bulletin of Cox Boulevard Church of Christ – A Place To Call Home

LINES FROM LARRY:

We had another wonderful day of worship Sunday. We have a great church family and it's always a joy to be together each Lord's day for a period of genuine worship to our loving God.

VBS was a great success. Thanks to everyone who participated in any way. We have so many talented people at Cox and we appreciate your willingness to do whatever was needed to make VBS the success it is. Thanks for all you do each week to bring glory and honor to God and to His Church.

We have 32 of our members down in Mobile this week doing our annual **Back To The Bible Campaign**. So far there have been 28 Bible Studies set up and 4 baptized. Praise God for the good work our campaigners do each year. Please keep them in your prayers. They will be coming back on Friday.

I want to thank the **Calvin Cole** family for the many years of doing our annual Chicken Stew meal. They have given so much of their time and effort in this activity. Calvin told me this was the last time they would be able to do it. Be sure to let them know personally how much you appreciate all they have done.

We hear a lot of talk these days about making sure we have a **healthy diet**. If we want to live long, we need to be careful as to what we put into our bodies.

As important as it is to be careful about what we put in our bodies, it is even more important to watch what we put in our minds. When God tells us what it means to make Jesus Lord of our thoughts, of our mind, He puts it this way in Philippians 4:8, **“Whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable, if anything is excellent or praiseworthy, think about such things.**

That's God's diet plan for your heart.

Notice what the deciding factor is concerning what you should watch, listen to, or read. It's the content. Not if it's funny, not if it's clever, or if it's entertaining, not if you like the tune. I can't afford to pick what I eat just based on whether I like the taste. I could have an early date with a heart specialist or an undertaker that way. No, I have to decide based on whether or not the contents of the food is healthy or unhealthy.

That's how our Savior wants you to decide what you read or watch or listen to. Look at the contents. Think about some of your favorite TV programs, your music, your magazines, the books you read, the movies you go to, the humor you listen to. Does it pass God's test for what gets into your heart? Is it something to be admired? Is it something He would laugh at or that He would recommend? Does it portray God's ways or sinful ways? Is it clean or is it suggestive? Is it positive or negative?

God cares about what you're **“eating”** mentally. He makes it very clear by what He says in Proverbs 4:23, **“Above all else, guard your heart because it is the wellspring of life.”** If an animal happens to fall in a well and dies, it will pollute the water that comes out of that well. It's the same with your mind. If you allow something polluted or dead in there, it will continue to contaminate the well for a long time.

God has called us to become new people by the **renewing of our minds**, Romans 12:1. It's hard to make your sin-polluted mind new and clean when you keep pumping in more garbage. If you want to be all you were meant to be in Christ, then pay attention to what you're putting in your mind. The package may be very attractive, the taste may be exciting, but the contents may be deadly.

I'm looking forward to seeing each of you in worship this coming Sunday morning. May you have a God blessed week. **LRK**

We will be leaving the Church building THIS SUNDAY, June 24th following the morning service. Kids will need money for any t-shirts and any extra snacks or drinks they want. We will leave Maywood Camp Saturday June 30th around 8:30 a.m. There will be at least two counselors in each cabin. Each day the kids will be doing: multiple worship services, a bible class, pool time, 3 meals, canteen, and activities such as Swimming, Fishing, Boating, Crafts, Bible Study, Singing, Basketball, Softball, Soccer Games, Hiking, Putt-Putt, Disc Golf, and Beach Volleyball.
